Kinder Furniture Polish

This technical information sheet is intended to provide guidelines for users. Products are guaranteed to give a satisfactory performance only if used as recommended. Liability shall be limited to refund of purchase price or the replacement of a defective product. There are no other warranties expressed or implied.

Furniture Polish:

Made from natural ingredients such as Beeswax, Carnauba Wax and Essential Oil, KINDER Furniture Polish is recommended for the care and maintenance of fine furniture. Most suitable for oil finished, wax finished and varnished timber. KINDER

Furniture Polish leaves a clear, silky mat and protective anti-static film.

Simply apply some drops of KINDER Furniture Polish to the surface and distribute with a moist cloth. Spread out evenly and let dry for 30 minutes. Buff or polish when dry.

Usage:

Apply not more than 20 to 30ml per square metre.

Safety:

Even if non-toxic, keep furniture polishes away from children.

Environment and Health Features:

KINDER Furniture Polish is made from natural and non-toxic raw materials. The product is VOC free, it

contains no synthetic solvents. Manufacturing process ensures ecological sustainability and avoids water pollution. The product will not charge electro static energy. When used according to manufacturer's direction, the product is harmless to human and the environment.

Disclaimer:

It is recommended to test the product on the intended surface to ensure its suitability.
